

DAILY WINS WITH
\$WINNAZ

BUY. HOLD. WIN. REPEAT.

THE INVESTMENT OPPORTUNITY OF 2025

Game-Changing Memecoin Meets Decentralized Lottery

\$WINNAZ revolutionizes crypto with huge prize pools, instant payouts and deflationary rewards – the can't-miss opportunity of 2025.

HERE'S WHY:

1. MASSIVE PRIZE POOLS + FAIR PLAY

On-chain lotteries with audited smart contracts and Verifiable Randomness (VRF) – every draw is provably fair.

2. IMMEDIATE & GENEROUS REWARDS

Winners get instant payouts in \$WINNAZ. 75% of all lottery takings are reinvested through buy-backs, driving value and scarcity.

3. DEFLATIONARY SCARCITY ENGINE

- Capped 15B supply (no inflation)
- Token burns (unsold presale = PERMANENT burn)
- Staking rewards + buybacks = demand > supply

THE INVESTMENT OPPORTUNITY OF 2025

4. EXPLOSIVE PRESALE GAINS

Early investors can secure up to 4,275% returns from Prize Pool Sale (\$0.00016) to launch (\$0.0070). With progressive pricing and a fixed launch price, the Prize Pool Sale is designed for maximum returns targeting \$9.5M+ raised.

5. SCALABLE & FUTURE-PROOF

Built for growth, Crypto Winnaz will expand to Solana, ensuring faster, cheaper transactions. More lotteries, liquidity staking, and innovations are on the way.

6. ROADMAP TO SUCCESS

From presale to CEX listings, staking, and community-driven expansion, every phase is designed for massive adoption and long-term value.

7. AGGRESSIVE MARKETING & HYPE

With top-tier influencers, viral community engagement and strategic partnerships, Crypto \$WINNAZ is set to become THE meme coin + lottery hybrid of 2025.

PRIZE POOL SALE

The Winnaz Prize Pool Sale is a limited-time opportunity to acquire tokens at their lowest available price while contributing to a massive prize pool:

Starting Price: \$0.00016 USDT per token

Target Prize Pool: \$9.5 Million USD

Launch Price: \$0.0070 USDT
(a potential 4,275% gain for early buyers)

By participating in the Prize Pool Sale, buyers secure tokens at a deep discount while funding a lucrative reward system.

Once the target is reached, the token launches at \$0.0070 USDT, offering early investors significant upside.

HOW MONEY IS MADE WITH \$WINNAZ

Earn with \$WINNAZ through daily draws, token growth and prize pool winnings!

\$WINNAZ maximizes earnings potential with instant rewards, long-term growth and high-stakes prizes.

DAILY DRAWS (40X WINNING CHANCE)

Every day, participants have a 1 in 20 chance to win a cash prize, providing frequent opportunities for rewards.

HIGH GROWTH POTENTIAL AT LAUNCH

Early adopters benefit from a **4,275% gain potential** when the token launches at **\$0.0070 USDT**, up from the initial sale price of **\$0.00016 USDT**.

LIVE LOTTERY WINS FOR BUYERS

Purchasing Prize Pool tokens not only supports the ecosystem but also enters participants into live lottery draws with substantial cash prizes.

DEFLATIONARY VALUE INCREASE

A built-in deflationary mechanism reduces token supply over time, driving scarcity and increasing the value of held tokens.

DAILY DRAW

The Winnaz Lottery is your shot to win big! Here's how it works.

THE TWO-BALL DRAW

Every day at the advertised time, two balls are drawn on-chain:

1. **Meme Coin Ball** – Determines which token you win (Pepe, Shiba, Turbo, Mog or \$WINNAZ).
2. **Multiplier Ball** – Sets your prize multiplier (2x, 5x, 10x or even 40x your holding!).

HOW WINNINGS ARE PAID

- Winning in Pepe, Shiba, Turbo, or Mog: → Tokens are sent straight to your wallet – no waiting!
- Winning in WINNAZ: Prize is automatically credited to your \$WINNAZ dashboard balance, ready to play again or withdraw.

DAILY, ON-CHAIN & TRANSPARENT

- Draws happen every 24 hours – no skipped days!
- Fully verifiable via blockchain, so you know it's fair.

No complicated rules. No delays. Just daily chances to turn a small bet into a meme coin fortune!

UPCOMING GAMES

PEPE LOTTERY

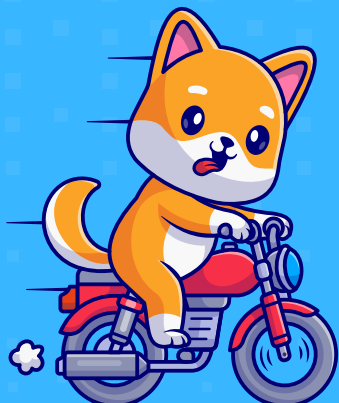

280X multipliers every 4 hours – the most frequent high-stakes draws in crypto. Turn PEPE into prizes with on-chain fairness.

SHIBU LOTTERY

250X wins every 6 hours, powered by SHIBU's unmatched community. Low-fee entries, audited payouts – memes meet real utility.

TURBO LOTTERY

Max 300X rewards twice daily, with token burns boosting every draw. TURBO's volatility now works in your favor. to 300x every 12 hours.

FREQUENTLY ASKED QUESTIONS

HOW DOES CRYPTO \$WINNAZ ENSURE FAIRNESS?

Lotteries use Verifiable Random Functions (VRF) for provably fair, on-chain draws. Results are publicly verifiable.

WHAT HAPPENS TO UNSOLD PRESALE TOKENS?

Unsold tokens are permanently burned to reduce supply and increase scarcity.

HOW DOES CRYPTO WINNAZ GENERATE VALUE FOR TOKEN HOLDERS?

- 75% of lottery revenue funds buybacks.
- Burns & staking rewards reduce supply.
- Exchange listings & Solana expansion boost exposure.

WHAT IS \$WINNAZ'S TOTAL SUPPLY?

Fixed at 15 billion - no more will ever be minted, ensuring scarcity.

HOW DOES PRICE PROTECTION WORK?

- Automatic burns from ticket sales reduce supply.
- Daily lotteries drive demand; holding more = more play chances.
- Anti-dump mechanics ensure organic deflation.

Bottom Line: \$WINNAZ grows more scarce and useful over time, protecting value without outside intervention.
